OK, I should feel really stupid right now, but instead, I'll blame it on excessive background noise and sleep deprivation...

Thanks!

Updated OPS attached. Looking for C&GS. If you do that one, I will update it as well.

Thanks,

This Org is the one I gave to you this morning. You can at least get started on adding the codes. Also, Greg with EPA WSHE is going to Stables to get office supplies. I asked him to get with you on any supplies you will need for Documentation. I already put down manilla folders (1 box - 3 tabs).
